## ABOUT GLENRAY

Glenray's supported accommodation program offers individual support to adults and young people living with a disability. Glenray offer a diverse range of housing options, such as houses, units, or group homes to meet each resident's needs.

Our goal is to enable people living with disabilities to live independently in an environment where they have an active input into how they wish their home to run whilst building confidence and capacity.

## 4 x rooms available

Staff onsite 24/7, live in a quiet residential area with views over the mountains, spacious outdoor patio and garden. This modern home offers multiple shared living spaces and has accessible bathrooms. 10 mins to shops, with private transport available.
